System Requirements:

Each level has its own questing system that looks different from the rest. You'll find some environments you'll have to scale a building or trek through a dense jungle. You will also encounter new enemies who will bring their own challenges. The new mission system gives you the flexibility to handle the situation at hand while switching between missions as you please. For example, some missions will put you in the role of a sniper, where you must use stealth to complete your objectives. The mission you're given will tell you how many points you have available to
